**Subject:** HOCKEY FOUNDATION JERSEY PROMOTION - REMINDER

---

As I indicated at the Hockey Manitoba Fall Board meeting the Manitoba Hockey Foundation has agreed to sponsor a rural based team this coming season by providing them with a set of games jerseys. It is my understanding that the jerseys will be donated to a minor hockey association so that they can be re-used each year. The Hockey Foundation has been operating this program for a few years as a method to promote the game as well as contributing necessary resources to programs that may be financially limited.

The Hockey Foundation has already identified a city based team and would like to be able to provide the same opportunity to a rural community. If you are aware of any teams/associations within your respective region that could benefit from this gesture I would appreciate if you could forward their name to me by **November 17<sup>th</sup>**.

In addition please include a small write-up identifying the needs of the team you have nominated so that the committee can make a recommendation on which community team to support.

Thank you for your cooperation.
